

POWER LIFT®

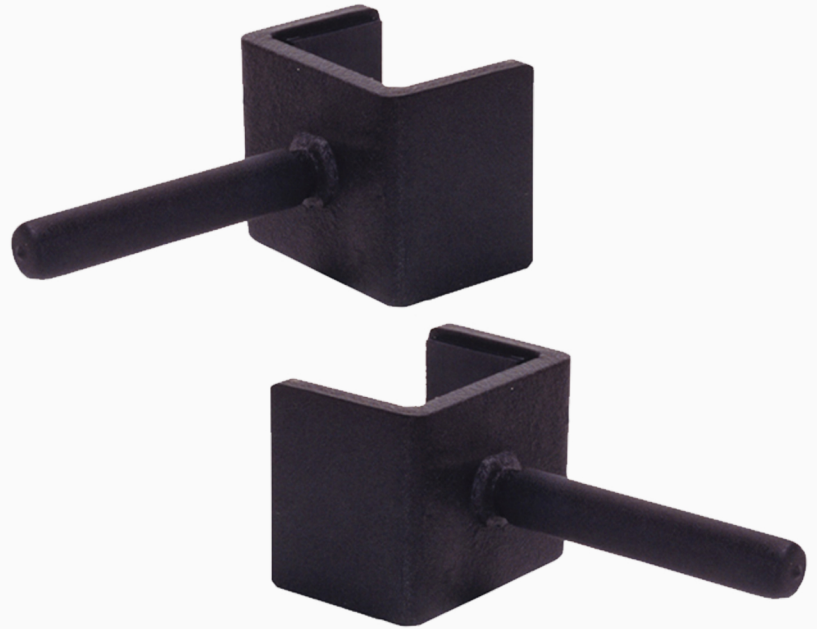

POWERFUL IDEAS FOR POWERFUL RESULTS

RACK SQUAT HANDLES

Power Lift Rack Squat Handles are designed to attach to the standard uprights of any Power Lift rack station, allowing users to perform squats with a safety squat bar. Standard features for the Squat Handles include a one piece formed steel wrap that is stronger than conventional weld designs.

KEY FEATURES:

- Attaches to uprights with a single peg design
- Allows users to perform squats with a safety squat bar
- Used in conjunction with Mastiff Safety Squat bars
- Available on all racks

Overall Dimensions:

11" (D) x 5 9/16" (W) x 4 1/2" (H)
18 lbs. (Approximate Weight)

Warranty:

Lifetime conditional warranty on frame components. One year on bearings and 90 days on items not specified.

Part Number:

25000C
