

POWER LIFT®

POWERFUL IDEAS FOR POWERFUL RESULTS

STEEL TECHNIQUE BOXES

Power Lift Steel Technique Boxes come in pairs of 3", 6", and 12" boxes. These steel technique boxes make a great addition to any facility utilizing Olympic lifting stations. Power Lift steel technique boxes help in teaching proper mechanics while learning the "how-to's" of various Olympic lifts. Each box is designed to safely stack on top of one-another for adjustments in height.

KEY FEATURES:

- 3/4" rubber top on landing surface
- X-trax anti-skid on bottom
- Handles welded on the sides to help with moving
- Black wrinkle powder coat finish
- Constructed of 7 gauge steel frame
