

POWER LIFT®

POWERFUL IDEAS FOR POWERFUL RESULTS

FARMER'S WALK IMPLEMENTS

The Power Lift Farmer's Walk Implements are an effective, versatile way to improve athlete endurance and grip strength. As a set of two, these Farmer's Walk Bars can hold 500 lbs. (a collective 1000 lbs.), giving them an edge over kettlebells or barbells when it comes to strongman training.

KEY FEATURES:

- Handles are centered and raised
- Holds additional 500 lbs. each
- Made in the U.S.A.

Overall Dimensions:

5' (L) x 6" (diameter pipe)
75 lbs. when empty

Warranty:

Five years on welds and construction. Power Lift warranty is non-transferrable and only available to the original purchaser.

Part Number:

47560A
